Why: To welcome incoming freshmen and acclimate them to the high school experience

This year's Bulldog Camp will be a two-day experience, giving students the opportunity to:

- Pick up their schedules before everyone else
- Purchase their lockers (the locker rental fee is \$5.00)
- Tour the school and become familiar with their class and locker locations, as well as other important places in the school (guidance, attendance, the gym, the cafeteria, etc.)

- Interact with other members of the Class of 2021, as well as upper-classmen Leadership students
- Elect class officers
- Learn about key school traditions

**Lunch will be provided on both days of camp. Students should come in comfortable clothing and shoes, since they will be participating in a school-wide scavenger hunt and other fun activities.

**Please note that camp is a student-only experience. While we are grateful for the support that you continue to give your student in his/her academic endeavors, this will be the students' first opportunity to interact with each other and forge new relationships that we hope will last throughout their entire high school career. It is for this reason that we ask parents to refrain from staying with their students during the camp experience.

We provide lunch during all three days of camp for all attendees. To help cover these and other costs, we are asking for a **\$10.00 donation**. However, we want to make sure that the camp experience is available to all incoming freshmen, so the donation is not mandatory. Also, if you are able to donate more than the requested \$10.00, that money will be used to help cover the cost for students who are economically disadvantaged. Please make checks payable to: Crestview High School. Thank you in advance for your support.
