## Crestview HS Fall Sports Ticket Information

Seating for football and volleyball games will be limited in the 2020 season due to the recommendations of the Okaloosa County Health Department and the most current CDC guidelines.

The first priority for non-refundable/non-exchangeable ticket packages will be given to the parents and/or families of the students who will be actively participating in the event. That would be the players, band members, cheerleaders and dance team members. Next, there will be an allotment offered to our reserved seat holders and finally to our CHS students. This will allow them to participate in a socially-distanced student section.

This season's home games are against non-OCSD opponents and we will offer to those schools a small allotment of tickets to allow families of their participating students an opportunity to attend the games.

Football: Tickets will be sold as bulk, non-refundable/non-exchangeable season tickets for our **four home games** on the schedule. You must purchase the entire package of home games. There will be **no reserved areas** and seating will be on a **first-come basis**. Packaged season tickets will be sold at \$10 per ticket/\$40.00 per package, with a limit of **four packages per person**. We will begin those sales the week of September 21<sup>st</sup> (specific ticket sale times will be posted soon), as our first home game is not scheduled until October 9. When ticket sales reach the capacity of the stadium as allowed by the health department, we will have "sold out".

Junior Varsity/9<sup>th</sup> Grade football games will have normal ticket sales at the stadium gates before each game. Seating capacity will still apply.

Volleyball: In the gymnasium, the capacity per the Okaloosa County Fire Marshall is 575. We are being held to 25% capacity indoors, so that means we will only have occupancy for 145 fans at the game. Packaged season tickets will be sold at \$7 per ticket/\$56.00 per package (**eight home games**), with a limit of **four packages per person**. Like football, we will first offer season packages to parents and families and then sell whatever might be left in person at the ticket gate in the gymnasium before the game.

Passes: The only passes that will be accepted are FHSAA passes. Employees should refer to the email from Dr. Hale on 09/02/2020 concerning entry to games.

### Please Note the following:

- When entering the stadium, **ALL** bags will be checked.
- Although concession choices will be limited due to health department policies, outside food and drink will not be allowed. All concession sales help support our athletic and/or band programs. We appreciate your understanding as each of our programs try to raise money under such strict policies.
