

mySchool Online Students

DEVICE PICKUP INFORMATION

- mySchool Online students who have qualified for Federal Free and Reduced Lunch status sometime within the past 12 months (including recent qualification for the upcoming school year) will be allowed to check out a device.
- Qualifying families can check out a device from **any** of the locations shown below during hours of operation.
- Parents must sign a District Acceptable Use Policy as well as the Terms and Conditions document in order to receive a device.
- Families will not be able to check out a device if they have not returned one that was checked out at the end of last year. If you still have a device from last year, please bring it to one of the depot locations below.
