

CRESTVIEW HIGH SCHOOL

MY SCHOOL ONLINE (MSO) TESTING PLAN 2021

All MSO students will be tested separately from our in-building students through scheduling a window of dates different than the dates given to in-building students.

COVID protocol will be followed:

ALL MSO students must pre-register to come in and take their FSA assessments. This allows us to be prepared for those students coming in to test.

DATES/TIMES AND SPECIFIC INFO WILL BE EMAILED TO MSO STUDENTS' SCHOOL EMAIL IN THE NEAR FUTURE.

- MSO students will enter the single entry of the school.
- Temperatures will be checked upon arrival and before entering testing sites.
- Masks will be worn by all testing proctors and testing personnel.
- Masks are required for MSO students.
- Hand sanitizer will be available in all testing areas.
- Desk barriers will be in place.

Through emails, robo-calls, school webpage, and social media, testing information, including rosters, times and dates will be disseminated with the following instructions: testing is here at the high school and should be finished by about 10:00 - 10:30. Students will enter at the main doors by the Bulldog AT 7:15; inform staff that they are an online student that is reporting for testing. Students will be directed to the auditorium for a temperature check. Masks are required.

A Google MSO FSA/EOC "registration" form will be made available to all online students. This will allow the testing coordinator a more streamline means to schedule testing to accommodate those that have committed to coming into the building for testing.

After testing, pencils will be kept by students.
Calculators used by students will be cleaned between sessions.
Students will be encouraged to bring their own headphones/earbuds.
If students use school headphones, they will be disinfected after each use.

MSO Test date windows are as follows:

FSA-ELA Writing	26-28 April
FSA-ELA Reading	26 & 27 May
Geometry EOC	28 May & 1 June
Algebra EOC	2 & 3 June
US History EOC	4 June
Biology EOC	7 June

Locations:
Media Center
Rooms 364, 367, 368, 372 and 109.
