This year's Bulldog Camp will be a three-day experience, giving students the opportunity to:

- Purchase their lockers
- Tour the school and become familiar with their class and locker locations, as well as other important places in the school (guidance, attendance, the gym, the cafeteria, etc.)
- Interact with other members of the **Class of 2025**, as well as upper-classmen Leadership Students, Bulldog Pack and Dog Pound Officers
- Elect Freshman Class Officers
- Learn about key school traditions
- Sign up for clubs and find out about sports teams

\*\*Lunch will be provided during all three days of camp. Students should come in comfortable clothing and shoes, since they will be participating in a school-wide scavenger hunt and other fun activities.

\*\*Please note that camp is a student-only experience. While we are grateful for the support that you continue to give your student in his/her academic endeavors, this will be the students first opportunity to interact with each other and forge new relationships that we hope will last throughout their entire high school career. It is for this reason that we ask parents to refrain from staying with their students during the camp experience.
